The One stop Crisis Team plan preventive strategies which includes spreading awareness about the law and the dangers posed by prospective traffickers.

The One stop Crisis Team can organize camps at the taluk level to ensure government schemes and rehabilitation schemes reach the victims.

Role of Legal Services Authorities as per NALSA (Victims of Trafficking and Commercial Sexual Exploitation) Scheme 2015

- 1. Provide legal assistance to the victims of trafficking and sexual exploitation at the time of rescue and thereafter during trial.**
- 2. Facilitate the accessing of the District Legal Services Authorities (DLSAs) for award of victim compensation under Section 357-A Cr.P.C**
- 3. To monitor and act as social auditors of the existing facilities available for rehabilitation of rescued victims of sexual exploitation and trafficking.**
- 4. DLSAs can spread awareness in the community through the panel lawyers and para legal volunteers about the issues of trafficking particularly in vulnerable areas and among vulnerable groups.**
- 5. The DLSAs can act as converging nodes to ensure that the government schemes meant for the marginalized actually reach them as such access to the government support does have a positive impact in preventing trafficking and falling prey to traffickers.**
- 6. Initiate steps to sensitise the corporate world to support rehabilitation measures for trafficked victims including skill building and employment under the head of CSR.**
- 7. SLSAs can also assist in the training and sensitization of stakeholders, like police, lawyers including legal services lawyers, prosecutors, government servants and the Judiciary.**
- 8. SLSAs may also collaborate with the local educational institutions and civil society organisations and NGOs working in this field.**
